ST. PAUL, June 13.-A resoluton sking President Wilson to take over immediate control of the Western Union and Postal Telegraph companies, in view of the possibility of a strike of union telegraphers was addpted to-day at the annual convention of the American Federation of Labor.

Another resolution calling upon the Federation to pledge its entire support to telegraphers of Scattle, Wash, who, according to the resolution, were discharged for joining the union, was voted down. It was pointed out that a strict interpretation would result in a general strike all over the country.

Samuel Gompers, President of the Federation, sent a telegram to President Wilson in reply to the Chief Executive's recent message expressing appreciation of labor's war efforts, Mr. Gompers's telegram said in part:

"We wish to express to you our determination to give whole hearted support to the Government of our free country in this war to establish principles of freedom that will insure peace between nations. We pledge loyal support and service until human freedom and equity shall be the common right of all peoples."
